LMGI Compass is the official member-only publication of the Location Managers Guild International (LMGI). LMGI members are the Location Managers and Scouts who find the settings that best represent the visual concept of the Producer, Director and Production Designer. These key location professionals make crucial decisions that bring productions to specific locations, benefiting the cities, towns and specific venues chosen with added revenues, jobs, publicity and residual acclaim.

Publication is published quarterly and delivered to every single member of this exclusive organization. Whether you have products and services directly related to filming locations and film scouting, or you are attempting to influence this voting peer group for the Location Managers Guild International Awards, *LMGI Compass* is the smartest and most targeted ad buy you can make.
