HONORING

Lee Dichter, CAS

2018 MPEG FELLOWSHIP & SERVICE AWARD

Saturday, October 20, 2018 • Sheraton New York Times Square Hotel

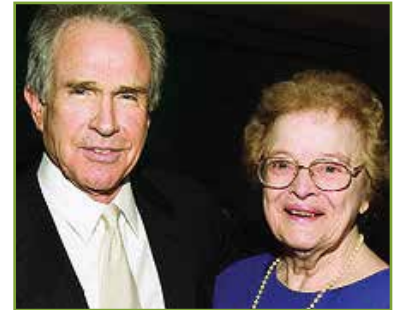

Join Us in Celebrating Excellence at MPEG's Special Awards Ceremony!

The Motion Picture Editors Guild (IATSE Local 700) will honor veteran sound **re-recording mixer Lee Dichter, CAS**, with its prestigious Fellowship and Service Award. This is the first time the award ceremony will be held on the East Coast at the Sheraton New York at Times Square on October 20, 2018.

This elegant, intimate ceremony is the only awards event MPEG hosts throughout the year, and it is meaningful to both the members and leadership. It will be attended by union officials, Guild member-peers and others in the post-production industry. **We invite you to show your support as an Event Sponsor or Advertiser!**

If you are able to attend, an **MPEG Fellowship & Service Award Sponsorship** will provide premium tickets, premium congratulatory advertising and sponsor recognition in the room and in outside media. If you cannot attend, congratulatory ads can be purchased in the commemorative **MPEG Fellowship & Service Award Tribute Book**, which will be distributed to all attendees, as well as all non-attending MPEG members via bonus distribution in the post-event edition of *CineMontage* (official member publication of the Guild).
